RESPONSE TO ELECTION/RESTRICTION

Sir:

The following is applicants' response to the examiner's Election/Restriction requirement dated July 11, 2003:

Applicants elect claims 4-7, 14, 15, 24, 41 and 42 for prosecution on the merits should no generic claim be finally held to be allowable.

AMENDMENT

Following the restriction requirement the examiner noted issues that may raise questions, objections and/or 112-2<sup>nd</sup> paragraph rejections upon further prosecution on the merits. The examiner invited the applicant to address these issues now.

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper.

Remarks/Arguments begin on page 13 of this paper.
